This fire door Inspection has been completed to establish the "Fire Integrity" of each fire door in the premises and to compare it with the current standard (Building Regulations and Guidance for the type of building inspected) of the day.

Defects or Actions Required raised in this report have been given a Priority and a Category. The Priority has been set to indicate the level of risk and urgency the action needs to be completed. The Category has been set to aid the Property Manager and others to prioritise and group the tasks in to similar works when placing orders with a contractor.

The Inspection is not intended to state if a fire door passes or fails, it is aimed at assisting Responsible Persons improve fire resistance to a more acceptable standard.

The comments made in this report are a reflection of the opinion of the assessor and should be read in conjunction with the findings of the premises Fire Risk Assessment and Fire Strategy Document (if applicable).

| <b>Priority</b>  |   |
|--|---|
| <b>Actions Required have been given one of the following Priorities:</b> |   |
| <b>Priority</b>  | Expected Timescale  |
| <b>Intolerable</b>   | Immediate action required. The risk poses an immediate risk to life and action must be taken within the same day.                                       |
| <b>Substantial</b>   | Urgent action required. The risk poses a substantial risk which must be reduced at the earliest opportunity before a fire occurs within the property.   |
| <b>Moderate</b>  | Action is required. The risk needs to be reduced as soon as practicable.  |
| <b>Tolerable</b>   | No action is currently required. However, this does not negate the need for future inspections to ensure that the existing door standard is maintained. |

ETS Health and Safety Limited has undertaken this fire door Inspection and prepared this report based upon the information gained on site during a visit to the premises. The recommendations made in this report are made in good faith based upon the evidence seen at the time of the visit. Every care has been taken to interpret the Acts, Regulations and Approved Codes of Practice, however, these can only be authoritatively interpreted by Courts of Law. During this Inspection ETS Health and Safety may have had access to information, which is of a confidential or sensitive nature. Such information will be treated in the strictest of confidence by ETS Health and Safety and will not be communicated or otherwise transmitted to a third party unless expressly authorised to do so by the client.
