

RESIDENTS' ASSOCIATION NEWSLETTER

Issue Number 9

January 2020

Welcome to the latest issue of our newsletter – we hope everyone had an enjoyable Christmas and best wishes for the New Year.

Phased redecoration of the communal areas

From the week beginning 6 January we will be identifying where making good damaged walls and woodwork need to be dealt with and it is likely that redecoration will start on the first and second floor corridors where the lighting has already been mostly or completely upgraded.

Some of the work maybe noisy and dirty e.g. sanding walls, and we apologise in advance for any inconvenience caused and we will, of course, endeavour to minimise disruption.

As you can see from these mocked-up pictures we will be giving flats a selection of 4 different colours for their front doors to blend with the new colour scheme being used for the walls.

Your feedback would be welcome.
